RE: CHRIS GIBSON FOR CONGRESS  
JULY QUARTERLY REPORT  
06/07/2012 - 6/30/2012

Dear Ms. Sugarman:

I am writing in response to the enclosed notice which is advising of non-filing of 48-hr notices and discrepancies between 48-hour notices and the subsequent filing of the June quarterly report. Please be advised that we have reviewed our procedures to ensure that all 48-hour notices are filed as required.

Regarding the 48-hour notice for National Telecommunications Cooperative, this PAC was included on the July quarterly report. It was reported as TECO National Telecommunications Cooperative Association, ID # C00004473. I have enclosed a copy of the corresponding page from our July report for your reference.

Regarding the 48-hour notice for Thomas Baldwin Jr., this contribution was also included on the July filing. The contribution was received from Mr. and Mrs. Baldwin and was designated for both the primary and general election. Therefore, on the report, the contribution was reported as \$2,500 for each election and \$2,500 each from Thomas and Laurie. I have enclosed the corresponding pages of our July report for your reference.

Based on the above, we do not believe there are any corrections needed on our report as filed, and therefore do not believe we are required to file an amended report.

If you have any questions regarding this matter or need additional information, please do not hesitate to contact us.

Very truly yours,

CHRIS GIBSON FOR CONGRESS

  
Elizabeth Fitzpatrick, Treasurer
